County Port Project Sent East for O. K.

Third Wire of Week Assures Success For Proposal

Victory seemed assured today for the proposed San Mateo county harbor at Redwood City with receipt of a wire from Congressman John J. McGrath that the project has won final approval by the public works administration board in Los Angeles.

Word from the congressman is to the effect that the board is forwarding the project today. It received approval yesterday.

This is the third wire to reach Redwood City on the subject in less than a week. The first said that the PWA board had given its approval; the second denied that this had been the case, and the third—today's—declares again that the project has been approved.

McGrath's wire to Howard I. Wood, manager of the Redwood City Chamber of Commerce, reads:

"The PWA just telephoned that they have received this morning a radiogram from Trask, State Engineer, dated yesterday and reading:

"Redwood city harbor pr... approved and will be for... tomorrow.

"John J. McGrath."

The San Mateo County Harbor Commission, of which Percy Shaw of South San Francisco is chairman, and S. A. Keyston of San Mateo and Henry Beeger of Redwood City are members, has asked a loan of $400,000 from the federal government to construct port facilities here.

Thirty per cent of the loan would be an outright government grant. The balance would be paid back from revenue produced by the port.

Congressman McGrath's efforts in Washington will now be centered on securing final approval of PWA officials in the capital.

$75,000 ROAD SAVINGS CREDITED TO CHARTER

Report for First Six Months Made to Board of Supervisors

RECORDING a saving of $75,000 in road department expenditures, notwithstanding the payment of $20,000 in claims for last year's obligations and the transfer of $12,500 to the Daly City bottleneck, County Surveyor James S. James Monday submitted his report for the operations of the road department for the first six months under the new charter to the board of supervisors.

James gave the charter credit for the savings.

Total expenditures for the period from July 1 to December 31, 1933, amounted to $143,330.62 of a budget appropriation of $245,610 for the year.

Over-expenditures for the first six months, that is expenditures above one-half of the budget appropriation, amount to $20,525.

This total, James reports, is very close to the total of last year's claims paid out of this year's revenue. The actual figure of last year's obligations amounted to $19,644.73.

This amount must be saved during the next six months by the elimination of a part of the road program adopted under this year's budget appropriations if the county is to avoid a deficit at the end of the year.

James reports that a total of $32,144.73 was spent for purposes not contemplated or provided for when the budget was adopted. This amounts to 22.43 per cent of the total expenditures.

The items are the Daly City bottleneck transfer and the year-old obligations.

The sum of $44,742.62 of road department funds was expended in connection with emergency relief projects. Relief projects received nearly one-third of the total expenditures during the period. More money (by one thousand) was devoted to relief projects than was spent on general maintenance and operation of the entire road system, James reports.

Considering the obligations of the prior year, the transfer of funds to Daly City bottleneck and the emergency relief costs as extraordinary expenditures, James said that these together, for a cost of $76,887.35, exceeded by $10,000 the ordinary road department costs of $66,443.27.

James declares:

"Notwithstanding the fact that both the personnel and the activities of the road department have been greatly increased due largely to the increase in the emergency relief program, the total expenditures, including the payment of nearly $20,000 of last year's claims and the transfer of $12,500 from the road budget, has been $75,000 less this year than during the corresponding period a year ago.

"Expenditures last year from July 1 to December 31, 1932, were $218,596.70 and total expenditures last year came to $326,530.42.

"Emergency relief projects have

Swart Denies New Trial in Will Dispute

Judge Says He Would Not Quarrel With Jury Decision

On the ground that he would not "quarrel with the will of a jury," Superior Judge Franklin Swart today denied a new trial to Mrs. Myrtle L. Snyfeld of Burlingame in her attempt to defend the will of John L. Nelson, 75, also of Burlingame, who left her his $10,680 estate.

The new trial was asked on Mrs Snyfeld's behalf by Attorneys Carl Anderson and Monroe Thomas.

The district court of appeals recently reversed former Superior Judge George H. Buck, who had directed judgment for Mrs. Snyfeld notwithstanding the verdict of the jury, which broke the will.

This gave victory to Nelson's kin, but Mrs. Snyfeld then appealed to Judge Swart for the new trial, which he denied today.

Charles Nelson, a brother, and Arthur Nelson, a nephew, who were cut off in the will, brought the contest.

Mrs. Snyfeld met Nelson through her husband, who sold brushes, and shortly afterward the Snyfelds moved from Alameda to Burlingame and took up their home with Nelson. Mrs. Snyfeld took care of the household.

Nelson died on January 4, 1932.

Insanity Plea Giusti Defense In Gun Death

Alleged Murderer of S.S.F. 'Songbird' Faces Court

Umberto Giusti, 37, former Hollywood entertainer, entered pleas of not guilty and not guilty by reason of insanity Monday to a charge of murder for the slaying of Miss Emilia Da Prato, 27, South San Francisco singer.

Giusti appeared in court cleanshaven and dressed in a dark blue suit. He showed recovery from the broken condition of his first few days of arrest, but was still nervous. He placed his hands against the railing to support himself as he stood up on the command of the court.

An interested group of spectators from South San Francisco was on hand to watch the proceedings.

Giusti was represented by Attorney Albert Mansfield.

Trial was set by Superior Judge Franklin Swart for February 6 and 7.

SAN MATEO, Jan. 16.—Liquor fees for San Mateo dealers were set by the city council last night as follows: On sale, $15 per year; off sale of wines and beer, $10 per year; off sale of hard liquors, $10 semi-annually; wholesale, $20 semi-annually; wholesale, beer, $10 semi-annually.

CITY BEGINS ORNAMENTAL PLANTING ON R. R. LAND

"Butcher Field" Frontage to Be Beautified; Other Matters Before Council

ORNAMENTAL planting along the El Camino Real frontage of the Southern Pacific property, commonly known as "butcher field," is made possible by a lease between the railroad and the city, which was approved by the city council Monday night.

For some time the city manager has been negotiating with the Southern Pacific for permission to set the railroad company's fence back seven feet, and to plant shrubbery between the fence and the sidewalk. CWA labor is being used for this work.

By the terms of the lease, the city will pay a dollar a year for the strip. This keeps control of the land in the hands of the railroad, but allows the city to beautify it, with resulting benefit to the community.

The frontage to be planted is about 600 feet in length. Work has already been started.

Permission was granted by the council to the local Knights of Pythias lodge to erect a lodge sign on private property near Whipple avenue and El Camino Real. Application was made by Theron Seitz.

authority to run its Emerald Lake water line across certain properties were accepted, on motion of Councilman Charles Hildebrant, seconded by George McNulty. They are from A. W. Pike and Mary A. Pike, Bertha Hagarty, E. Vittori and Elizabeth Vittori, Dora L. Floyd, and the Lenolt Securities Corporation and Mary Humann.

Marchbank's Court Dodges Are Charged

Affidavit Declares Racing Man Hard To 'Corner'

Extreme measures taken by John W. Marchbank, Daly City resident and Tanforan racing man to allegedly avoid service of a summons in a $20,000 lawsuit on file here, are described today in an affidavit submitted to the superior court by John H. Cranford.

Cranford claims the money is due for services before the legislature he rendered in connection with the defeat of features of a racing bill which Marchbank opposed.

The plaintiff has surrendered his interest in the money to S. Clink, who brings the action. It was first filed in San Francisco and was transferred here.

Cranford's affidavit, made on October 27, 1933, asserts that Marchbank conducted an alleged gambling club in Daly City, known as "The Northern," and that the door to the place is always locked and guarded.

He said entry is gained by parties who have been first identified through a "peep hole or panel" and that none can enter except "habitues" or those who first state the purpose of their visit.

As a result, Cranford said, no process servers have been able to gain entry.

Marchbank's house, it is asserted, is next door to the club. The front door of the home is barred and entry to the home is only possible through the club.

When Marchbank desires to leave the premises, it is asserted, he does so in a closed car which is kept in a court yard behind locked gates. The door is not opened, it is stated, if anyone is in sight on the street outside.

E. J. Wren first tried to serve the summons in March, 1933, and failed. Miss Chadbourne, an experienced process server, who is described as an "exceedingly good looking and well-dressed lady," next tried. The Jackson Service Bureau, and then Jerry Burke, of Redwood City, tried and both failed.

Judge Thomas F. Graham of San Francisco then ordered publication of the summons. March bank's first move then was to bring the case to the San Mateo courts.

When filed here today, the case was assigned to Superior Judge Franklin Swart.

T. J. Donohoe Death Victim In Atherton

Thomas Joseph Donohoe, of Atherton, former editor of the Willows Journal and once active in Democratic circles of Alaska, where he was a national committeeman, died at his home in Atherton Wednesday. He was a native of Sutter county.

Mr. Donohoe was the husband of Rosalie M. Donohoe, and father of Thomas M. Donohoe and Ruth Donohoe. He was a brother of C. L. Donohoe and J. W. Ryan.

Friends are invited to attend the service Friday, January 19, at 9 a. m., at the Tinney Funeral Home, Palo Alto, thence to the Church of the Nativity, Menlo Park, where a requiem mass will be celebrated at 9:30 o'clock. Interment will be in Holy Cross Cemetery.

Bar Members Hold Meeting At Belmont

The San Mateo County Bar Association met last evening at Chartier Villa, San Carlos, for the monthly meeting. Nearly all the attorneys of the county were present. James T. O'Keefe, president of the association, presided.

An able address was delivered by Samuel M. Shortridge, former U. S. senator, who dwelt on the nobleness of the profession and advised the young members of the bar to be honest and fair to their clients and be dignified and courteous in court.

Mr. Shortridge spoke for nearly an hour and was given rapt attention.

FIRST PICTURE OF NEW EMERALD BOWL

Here is the first picture to appear in any newspaper of the new Emerald Bowl, natural amphitheatre in the city's park at the foot of the giant cross in the Emerald Lake hills west of town. CWA workers, under the direction of the city engineering department, have terraced the slope of the hillside to provide places for thousands of spectators. It is hoped that eventually seats may be installed. The bowl will be the scene of Easter sunrise services this year, it is expected. See those white spots on the rim of the bowl, at the top of the picture? They're men. This gives some idea of the size of the amphitheatre.

Publicity in Traffic Jams Up to State

Compulsory Printing Of Violators Not Possible Now

Plan of compulsory publication of the names of traffic law violators cannot be put into effect until there is a change in state law governing fines, District Attorney Edmund Scott informed a Lions Club committee interested in the proposal, today.

The Lions Club proposed that the violators be fined the additional cost of publishing the case in the newspapers.

Scott said that the law states specifically that this cannot be done, as all fines collected shall be used solely for road purposes and the law as it reads states specifically that it cannot be used "for any other purpose."

The Lions Club committee, headed by Norman S. Menifee, Hans Jepson and Wayne Millington, will carry the campaign before the state legislature, they reported, to have this law revised.

Glass Dome of Courthouse to Undergo Repair

The old glass dome of the San Mateo county courthouse is sagging with the weight of its years and some of the glass may give way and crash to the corridors.

This warning was given Monday by County Manager Walter Kellogg to the board of supervisors in advising that repairs be made at once.

Kellogg said that he had had an expert glazier look at the dome and an estimate of $313 for the repairs was given.

The survey disclosed that the lead frames holding the glass were giving way in places and some of the heavy glass may be blown loose by the first heavy windstorm.

Kellogg said that injury or death and probably lawsuits would follow any crashing of the glass.

The board, upon motion of Supervisor Manuel Francis, seconded by Spervisor Albert Witt, advised Kellogg to prepare the project for consideration by the Civil Works board at San Mateo.

Inventory Required For Liquor Dealers

All wholesale and retail dealers of this district must take inventories of stocks of liquors and wines as of January 12, 1934, announces J. F. Shanley, deputy collector of internal revenue for San Mateo county.

This is on order of M. J. Schino, chief field deputy, first district of California.

PLANS AUTHORIZED FOR BRIDGE AT POPE STREET CROSSING OF CREEK

Survey and preparation of a design for the proposed wider culvert-type bridge across San Francisquito creek at Pope street, North Palo Alto, were authorized by the San Mateo County Board of Supervisors Monday. The survey and plans will cost $1,155.

This project was included in a list of CWA and county work relief proposals which totaled $149,942.05.

The Pope street bridge, which is considered a traffic hazard because of its narrowness and blind approach, was declared by Engineer James S. James of San Mateo county and Supervisor John W. Poole, Redwood City, to be in a dangerous condition.

James said that serious cracks had developed in the structure, and Supervisor Poole reported that the abutments were undermined.

It is estimated that the new bridge and retaining wall will cost $15,000.

More La Honda Work

The sum of $12,462 is included in the new list for additional work on the La Honda road. This will take care of a one-third mile stretch northerly from Woodruff creek.

Building of five-foot sidewalks of three-inch crushed rock with a surfacing of oil and fine screenings paralleling principal streets and highways in the City of Menlo Park at a cost of $40,745 is provided for by the CWA.

The sum of $2,571 is also set out for Menlo Park for landscaping and planting of trees and shrubs on Merrill avenue and at the Southern Pacific depot.

Auditorium Planned

An item of $9,257.30 for an auditorium for the Lincoln school to seat 300 is included. Construction will be of wood frame, stucco exterior and tile roof.

The costs will be divided as follows: $1,550 for materials from CWA funds; $4,788.30 for labor from same, and $2,919 for materials from the school district.

The projects were approved upon motion of Supervisor Poole, seconded by Supervisor Rosalie Brown, San Mateo.

INHALATOR AT FIRE DEPARTMENT USED TO SAVE NUMEROUS LIVES

Not every emergency telephone call at the Redwood City firehouse on Middlefield road is an alarm of fire.

It may be an urgent appeal: "Rush the inhalator!"

Somewhere lies a man, woman or child, overcome by gas, immersion, electric shock, carbon monoxide or illness. When other means of resuscitation have failed, thoughts turn toward that life-giving apparatus at the firehouse, known as the inhalator.

Since April 27, 1925, there have been more than 30 calls for the inhalator.

Of 25 calls recorded on the "log" of the fire department, the reasons were as follows: nine gas, six water, one carbon monoxide, two electricity, one strangulation, one cave-in, three heart attacks, one pneumonia and one quinsy.

It is also of record that, in 13 cases, the inhalator was successful, and in 10 cases it was not. Either it was not called in time, or the patients were beyond aid.

The "log" shows that the inhalator was used four times in 1925, two in 1926, four in 1927, four in 1928, one in 1929, four in 1930, one in 1931, one in 1932, three in 1933 and four thus far in 1934.

Various local doctors have made use of the inhalator, and it has seen service at Memorial Park, Emerald Lake, Searsville and San Carlos. Police have utilized the apparatus also, following accidents and suicide attempts. It is related that one person, revived after he had tried to take his own life by inhaling gas, was highly indignant at his rescue, and berated the first aid squad soundly.

ELDERLY S. F. MAN WINS TITLE TO BURIAL PLOT; THEN EXPIRES

After suing for title to the grave that he bought 33 years ago and winning his case, Samuel Salinger, 78, retired San Franciscan, was satisfied to die Monday. He expired from a heart attack three days after Superior Judge Maxwell McNutt ruled that he had a half-interest in the burial plot which he claimed.

Salinger named two sisters-in-law, Ida Green and Bertha Levy, and the Congregation Sherith Israel, as defendants in his action. The case was tried last Friday. He contracted a cold while here, and he died last night.

Judge McNutt ruled that he would find that Salinger and his father-in-law, David Wollach, bought the plot, containing six graves, on October 25, 1900. The plot is in the "Hills of Eternity Cemetery" in Lawndale.

Salinger charged that his sisters-in-law surrendered the original deed on July 19, 1922, and secured another one naming them and Mrs. Sarah Salinger, his wife, as the owners of the plot.

The court put off the signing of the formal decree of title until January 29, but he said he would give judgment for the plaintiff. So they laid Salinger to rest in the grave this afternoon.

Attorney Robert Littler of Redwood City prosecuted Salinger's claims for the firm of Howard & Wilkie.

SENDS LETTER OF THANKS

Dr. Ralph B. Scheier, medical director of the Canyon Sanatorium, today addressed a letter to the board of supervisors expressing appreciation for the efforts of County Fire Warden Bert Werder and crew in confining the blaze of last Tuesday to the nurses' quarters.

Supervisors Back Transit Improvements

Resolution Calls on Roosevelt, Rolph Assistance

The San Mateo County Board of Supervisors Monday appealed to President Roosevelt and Governor Rolph to name a federal-state commission to study the rapid transit needs of the San Francisco peninsula.

By resolution the board pointed out that huge sums of money are being loaned by the state and federal agencies to make possible the speedier transportation of passengers from San Francisco to the Marin and Oakland shores in the construction of the two bay bridges.

The board expressed in the resolution its belief that when public money is expended for a development of improved transportation facilities from a given population center, equivalent transportation facilities should be provided for all others as well.

County Clerk Elmore B. Hinman, who is chairman of the peninsula rapid transit committee, presented the resolution. He will seek similar support from the San Francisco and Santa Clara county boards.

It was adopted on motion of Supervisor Manuel Francis, Half Moon Bay.

Advises Against Let-Up

State Emergency Relief Administrator R. C. Branion advised the board against any let-up in the careful investigations necessary before new applicants for unemployment work are given jobs.

The board adopted a resolution from J. H. Dunbar, of the civil service employes' association, opposing salary reductions for public employes and urging restoration to the old levels.

The Brisbane Fire Commission asked the supervisors if it had the right to charge a $1 fee for inspection of electrical wiring and flues in that district. This inspection would be under the direction of Fire Marshall L. H. Terry.

The district also asked if it could hold an election on a proposal to raise $400 for insurance and fire valves without cost to the district through volunteer election officials. Both these questions were referred to the district attorney.

Kennel Permit Denied

Permit for the keeping of six dogs on his place in Oak Grove Park as requested by Donald Libby was denied by the board.

Supervisor Albert Witt asked District Attorney Edmund Scott to define the status of the balance of moneys left in the Brisbane Public Utility District, which was dissolved. Witt proposed that, if possible, the money be used for a sewer project in Brisbane.

Scott advised that this money will probably be subject to refund to the taxpayers. He advised the formation of a sanitary district or that the project be submitted to the CWA.

Referred to CWA

On motion of Supervisor Witt, the board referred the matter to County Manager Walter Kellogg to work out a CWA project.

The Civic League of Improvement Clubs and Associations of San Francisco declared that losses were being suffered on the coastside because of the shortage of men employed on rodent control in the county. The matter was referred to Dr. Harold Morrison, county health officer.

Supervisors to Meet in Former Reception Room

Annoyed by delays and the inconvenience of never being sure of their meeting place since it was converted into a superior court, the San Mateo County Supervisors Tuesday denied a new trial to Mrs. the problem.

The board voted $653 from the unappropriated reserve fund for alterations in the former public reception room of the district attorney's office and will make that space into its own special meeting hall. It will provide 35 seats. The board will go back to the 10 o'clock meetings.

County Manager Walter Kellogg brought the matter before the board, as plans for moving the books of the law library from that temporary quarter into the former office of the school superintendent are to be carried out shortly.

DIVORCE OBTAINED

Mrs. Marie Jennings today was granted an interlocutory decree of divorce from Harry Jennings on her cross-complaint to his action.

$53,200 Addition Planned on House

Contract for $53,200 worth of alterations and additions to the Hillsborough home of Mrs. Helen Irwin Fagan was filed today with County Recorder T. C. Rice. The work will be in charge of Charles Stockholm & Sons, and the plans were drawn by Arthur Brown Jr.

SUFFERS LEG INJURY

Henry G. Cobb, 613 Arlington street, suffered an injury to one of his legs here yesterday afternoon while hurrying across El Camino Real at Broadway. He collided with a car of B. Marcus, 2250 North Point street, San Francisco. He was treated by Dr. Harper Peddicord.

Dr. B. F. Greer, new president of Furman University, is the first alumnus to head the institution.

Minor Heirs May Lose in Flood Estate

Minor heirs of the James L. Flood estate may be giving up part of their shares in getting together the sum to be settled on Mrs. Constance May Gavin of Los Angeles, it was believed today.

Mention is made in press reports of a figure of $1,120,000 which will be settled on the claimant.

Within the last three weeks, it is reported, all minor legatees have been requested to sign stipulations that they would abate their claims not the six twenty-sevenths of the original Gavin claim but four twenty-sevenths, or two-thirds of the original sum.

On the basis of an estate value of $7,568,118, this four twenty-sevenths would amount to $1,120,000.

Minor legatees are reported in a mood to sign the new stipulations, relying upon the judgment of the Flood attorneys. It is asserted that interest on the six twenty-sevenths has been consistently paid by the estate, and that interest on the four twenty-sevenths is now running.

Burglaries Occur In Southern Area

Two burglaries which occurred in the North and East Palo Alto sections over the week-end were reported Monday to Sheriff James J. McGrath's office.

Charles Hatley, 127 Woodland road, North Palo Alto, lost three tires and a new battery when thieves partially stripped his car near his home.

Frank Anderson, 539 Cooley avenue, East Palo Alto, reported the loss of tools, wrenches and a quantity of gasoline from his premises.

Local Man Notified Of Death of Father

Word was received Monday by Alex Bechet, local manager of the F. W. Woolworth Co., of the death of his father, Joseph Bechet, in Verviers, Belgium.

Mr. Bechet had been ill for the past six months. He was 57 years of age.

In addition to the son, a daughter survives. She is Mrs. Maria Dennis of Providence, R. I.

Two Escape Hurts As Car Overturns

Two North Fair Oaks men escaped injuries Sunday morning when a car in which they were riding overturned in a ditch on the Marsh road near the Flood estate in a collision between two automobiles.

Henry C. Faulstich, 29, and Roy Williams, 26, both of Fourth avenue, North Fair Oaks, were unhurt in the overturning of the car. The other machine was driven by Paul Lyman, 33, of Newbridge Park. Officer Manfred Walzberg investigated.

VOTE SEWER PROJECT

HILLSBOROUGH, Jan. 15.—Taxpayers here today had given approval by a vote of 105 to 9 to a plan for a $60,000 improvement of the Hillsborough sewer system. The vote was held Saturday.

SEWER FUNDS SOUGHT

BURLINGAME, Jan. 16.—Mayor C. A. Buck reported today that the City of Burlingame has made application for federal funds for $146,400 to build a sewage disposal plant.

Grand Jury Condones San Jose Lynchers

SAN JOSE, Jan. 18 (UP)—Efforts to prosecute persons implicated in the lynchings of two kidnap-slayers here were weakened today by the refusal of the Santa Clara county grand jury to return indictments in the mob violence.

The jury heard 27 witnesses, many of them newspapermen and county officials, before deciding that the testimony was not sufficient to return true bills.

Menlo Park Files Protest on PWA

MENLO PARK, Jan. 13.—Petitions to be forwarded to Senator Hiram Johnson asking his help in securing action on Menlo Park's application for a federal loan for construction of the new city hall here were being circulated today.

The petitions stated that the application is being held in the Los Angeles office of the Public Works Administration and that no action is being taken on it here.

Two Burglaries In Burlingame Are Cleared Up

Two safe burglaries in Burlingame in recent weeks were cleared up Tuesday by a reported confession from Robert Logan, 25, of 49 B street, San Mateo, former oil burner salesman, who was captured Sunday at Burlingame while leaving the Levy Brothers' department store.

Logan, accordin gto Deputy District Attorney Harold Anderson of District Attorney Edmund Scott's office, confessed to the safe burglaries of the Broadway Creameries on November 27 when $105 was obtained, and that of Lynch Brothers' service station in Burlingame on December 23 when $70 was secured.

The confession was obtained in the presence of Police Sergeant J. M. O'Brien of Burlingame, Anderson said.

Logan was nabbed early Sunday by Officer Alfred Marion of the Burlingame force as he left the Levy store. He had a radio under one arm and tools under the other, Anderson reported.

The youth confessed that he fortified himself for the burglary by drinking part of a bottle of whisky which he obtained in the store, Anderson said.

Preliminary trial of Logan was set for 10 o'clock tomorrow before Police Judge Stanley Kelly in Burlingame.

Driver Pleads Guilty To Drunken Driving

Sidney Vandervoort, 21, of 575 Lytton avenue, Palo Alto, had pleaded guilty to a charge of driving while intoxicated before Superior Judge Franklin Swart here, and asked for probation. The matter was referred to Probation Officer Francis Robinson for a report.

The motorist was cited December 28 by State Officer William Riley on the Bayshore highway near San Mateo.

Motorist's Trial For Deaths Is Set

Trial of Patrick J. McGuire, 742 Ninth avenue, San Francisco, telephone company employe, on charges of manslaughter and drunken driving, following two deaths on the Bayshore highway near South San Francisco on October 21, was set today for February 13 and 14.

McGuire will be tried before Superior Judge Maxwell McNutt. He is charged with the deaths of Paloma Koch and Hazel Borovich, both of San Francisco.

SENTENCE SUSPENDED

San Mateo Truck Driver Charged With Drunken Driving

J. H. Duckworth, San Mateo truck driver, Monday was free on a 30-day suspended jail sentence imposed by Superior Judge Maxwell McNutt on a charge of drunken driving. Duckworth struck two cars in an accident here on December 30.

erty in Jefferson Acres needed in the Hudson street project, was accepted, on motion of Councilman Robert Jones, seconded by Hildebrant.

Another deed from Carl and Margaret Muller, Mr. and Mrs. Daniel P. Flynn, and H. P. McGarvey, covers a parcel of land at the rear of the new postoffice site.

The council also assigned all its rights against the Public Indemnity Company and the International Re-insurance Corporation to Eugenie Ruellan and Alfred R. Ruellan, in connection with an accident on February 26, 1933.

Councilman Paul McCarthy made a motion that the city notify Congressman McGrath that it approves his efforts to have the Western Pacific reconsider its announced intention of abandoning its plans for a peninsula line into San Francisco.

The motion was carried, and the city will endeavor to secure similar gestures from other cities between here and San Francisco. The plan involves use of the Southern Pacific bay bridge by the Western Pacific.

Mayor William J. Dusel reported on progress made to date in plans for President Roosevelt's birthday ball, to be held in Foresters' Hall January 30. Proceeds go to the Warm Springs Foundation for the treatment of infantile paralysis victims.

Councilman Jones reported that certain streets in South Redwood needed crushed rock. The city engineer and manager will attempt to get some rock in the vicinity of West Union road to make the improvements.

Prior to the meeting, some of the councilmen heard a radio address by Prof. Bailey Willis, earthquake authority of Stanford University.

This prompted Councilman McCarthy to suggest that a survey might be made here, to determine the weaknesses—if any—in business buildings, public buildings and schools.

His motion, seconded by Councilman Henry Beeger, was carried. It requires that the building inspector and city engineer confer with authorities in San Francisco, where a similar survey has been made, and then conduct an investigation locally. The findings will be referred to the council for possible action.

Burlingame Delays Artesian Water Plan

BURLINGAME, Jan. 16. — The plan to supply the City of Burlingame with water from artesian wells as proposed by George Courtney of Fruitvale was temporarily delayed by the city council last night.

The council wants additional information as to where the well will be located and also as to the quality of the water. An offer to supply water came last night from the Western Water Mining Corporation, which the council took under advisement. The latter group proposes to sink wells.

Shortridge's Sister Will Oppose Rolph

Mrs. Clara Shortridge Foltz, practicing attorney of Los Angeles and sister of former United States Senator Samuel Shortridge of Menlo Park, will become a candidate for the office of governor at the August primaries, she announced today.

"My mind is made up that Gov. James Rolph Jr. has been governor of California long enough and I decided to become a candidate," Mrs. Foltz told the Associated Press.

Dog Licenses Are Available for '34

Now is the time for all good dog owners to acquire new 1934 licenses for their pets.

This was the reminder voiced today at the city hall by Collector Nelle Miramontes.

The licenses cost $2 for male or neuter dogs, and $4 for females.

ENGINEER

(Continued From Page One)

been carried out during both of these periods, but the magnitude of the present relief program, and its attendant costs, as compared with that of a year ago, can only be indicated by the fact that the road department is now handling 800 to 1200 relief workers as against 100 to 200 a year ago.

"The fact that funds available this year for road department expenditures are $81,000 less than the total spent last year and the fact that over $32,000 out of this year's budget had to be spent for purposes not provided for in the budget has necessitated strict economies during the first six months' period, which economies necessarily had to come in large part out of general maintenance and operation costs, and in part out of capital expenditures.

"General maintenance and operation costs have been reduced to $195.28 per mile of road maintained during this six months' period. This has been accomplished through reorganization of the department, centralization of equipment and operation, elimination of road district lines and purchase of new and modern road equipment.

"In view of the fact that we have been able to pay off $20,000 of last year's obligations, contribute $12,500 to the Daly City highway widening, spend $45,000 on emergency relief projects and, in addition, carry on normal maintenance operation, I think the showing is quite remarkable. Full credit should be given to the new charter for the results obtained."

James declared in his report that it is not his purpose to criticize the expenditures made over his protest but to aid the board in guiding the future operations in the most economical manner to avoid a deficit.

Expressed in dollars, James said the operations must be trimmed to the estimated balance available during the remainder of the year, or $102,279. This means, he said, that average monthly expenditures must be kept under $17,000.

As December expenditures were $24,000, the cut therefore necessary will be at the rate of $7,000 per month.

In order to avoid any serious effects to the emergency relief program, James makes the following set of recommendations:

1. Keep the mileage of fourth class roads now being classified under a total of 50 miles.
2. After fourth class roads have been adopted, limit all road expenditures to classified roads, except for such emergency repairs on unclassified roads as may be necessary to eliminate dangerous conditions and prevent accidents to the traveling public.
3. Make such further reductions in general maintenance costs as may be practical.
4. Establish by resolution or ordinance what I understand is the present policy of the board—that no road work will be done at county expense on subdivision roads or streets where the subdivider or promoter or property owners have not performed the original grading and rocking of the pavement area. (This will eliminate county work on "paper" roads which are shown on county maps but which do not exist on the ground).
5. Confine county applications for emergency relief labor to those projects of minimum materials cost with greatest county-wide interest and benefit.
6. Refer all petitions or requests for road work to the county executive and county engineer for joint action by them in accordance with the foregoing recommendations.

James said that the adoption of the recommendations by the board of supervisors is "imperative."

"If adopted," he said, "the operations of this department will be clarified and simplified and I am sure we will be able to finish the year without a deficit and, I hope, with a small balance on hand."

'Human Fly' Held In San Mateo in Burglary Charge

SAN MATEO, Jan. 15.—Robert D. Logan, 25, of 49 B street, San Mateo, who police said scaled a department store wall like a human fly, was held today by San Mateo police to face a charge of burglary.

The man, police said, was carrying a portable radio under his arm and had a bottle of whisky in his pocket when arrested.

Logan admitted, police said, that he had attempted to crack the safe in Levy Brothers' department store but had been unable to open it after smashing the combination from the door.

Crocker 'Chipper' On 73d Birthday

HILLSBOROUGH, Jan. 15.—William H. Crocker, president of the Crocker First National Bank of San Francisco, feted his 73d birthday at the weekend.

The banker was in excellent health, and, in his own words, said he was "never more chipper in my life."

Terry Dueling Place Marker Is Erected

First of the historic site markers was erected today on the Lake Merced grounds where the Broderick-Terry duel was fought on September 13, 1859. This is one of 14 historic sites which have been accepted for marking through the efforts of Roscoe D. Wyatt, director of publicity for San Mateo county.

City-County Gov't Urged

Plan Advocated by W. H. Morrissey

Formation of a city-county government for San Mateo county was advocated last night at San Mateo at the meeting of the San Mateo County Federation of Improvement Clubs and Associations. This move was recommended by Attorney William H. Morrissey of Redwood City, president of the clubs.

The purpose, he said, would be to secure substantial reductions in tax rates of the county and the peninsula cities.

Michael Boepple, of San Mateo, who has advocated the proposal before, again suggested that the county seat be moved from Redwood City to San Mateo.

He made the suggestion because of reports that a large bond issue is being proposed to replace the present courthouse.

No one could say definitely who was proposing the bond issue.

Until the federation peruses the report, the secretary was instructed to write to the supervisors to ask that approval of County Engineer James S. James' report be withheld.

James' report, filed Monday, informed the supervisors that a saving of $75,000 in road expenditures had been made.

Endorsement was voted by the federation of the balls to be held January 30 in Redwood City and San Mateo in honor of President Roosevelt.

The group also approved the proposal that a testimonial dinner be held for Capt. Edward Macauley of Hillsborough, state CWA administrator.

Reports were submitted by Heim Goldman of San Mateo on the Ocean Shore highway project; by Mrs. Mona Christensen of North Palo Alto on the transportation problem, and by Dr. E. R. Tait of North Palo Alto on the garbage question.

Birthday Ball Aides Selected By Mayor Dusel

Assistants who will help arrange the birthday ball here January 30th in honor of President Roosevelt were named Monday by Mayor William J. Dusel.

James D. Hedge was named treasurer; ticket sales will be in charge of Amerigo Rossi, chairman, and Louis Dematteis; decorations will be in charge of the Redwood City Women's Club, and the music and hall will be arranged by Edwin Holmquist.

The event will be held in Foresters' Hall and 1,000 tickets are being printed. Tickets will be 50 cents, and the proceeds over expenses will be forwarded to Washington to be used by the Warm Springs Foundation for the treatment of infantile paralysis.

Tickets may be purchased at the following places: Tribune, Ryan's Drug Store, Musso Drug Store, Bank of America, First National Bank, San Mateo County Bank, and Chamber of Commerce.

Civic Club Has Word From East On W. P. Matter

Following publication of the news that the Western Pacific had line on the peninsula, the Redwood City Civic Club directed its secretary, John Harkness, to call the matter to the attention of the federal co-ordinator of transportation.

From Washington, John L. Rogers, executive assistant, replied that "the federal co-ordinator of transportation is not clothed with authority to require the construction of railroad lines. The Western Pacific Company has not made any application to borrow funds from the government with which to carry out this project. It would appear desirable to let the whole matter rest awaiting development of plans for the improvement of transportation conditions generally, upon which the co-ordinator is directed to make study with a view to further legislation."

The club feels that something should be done so that the project will not be abandoned.

County Film Will Remain on Display

The National Council of the Young Men's Christian Association will continue its free circulation of the San Mateo county advertising film, "California's Picturesque Peninsula," in New York and Chicago and other points.

This information was received today by Roscoe D. Wyatt, director of publicity for the county.

Widow of Coburn Heir Files Estate

Letters in the $3,734 estate of Gonzalo Buxton, of Providence, R. I., left him from the trust of the Loren Coburn estate, were asked today in a petition filed by Dr. J. C. McGovern, public administrator.

Mrs. Sarah Buxton, the widow, is named as chief heir. Loren Coburn was a Pescadero pioneer. Buxton's bequest was a one thirty-ninth interest in the trust.

Alpheus McGovern and Ross & Ross represent the petitioner.

Vandal's Shot Destroys Sign Just Erected

Going up to the Skyline to see the first historic marker to be erected after three years of effort, Roscoe D. Wyatt, director of publicity for San Mateo county, Friday discovered that a hunter had beat him to it and marred the fine white and brown sign.

The sign marks the Portola camp at San Andreas lake, but the word "Portola" cannot be read because of the bullet fired through the marker. Wyatt said he would call the vandalism to the attention of the state automobile association and another sign will be erected.

County Health Director's Son Taken By Death

Following a brief illness, Russell E. Morrison, 12-year-old son of Dr. Harold E. Morrison, San Mateo county health director, passed away early on Saturday at the home of his parents, 59 Hilltop drive, San Carlos.

He was a native of Lancaster, Calif.

Warrant Is Issued In Atherton Attack

Warrant for the arrest of Officer William F. Cook of Palo Alto on a charge of assault with a deadly weapon was issued Monday by Deputy District Attorney Harold Anderson of District Attorney Edmund Scott's office on complaint of J. A. Lausten, employe of the gas department of the City of Palo Alto.

Ione Walker Passes Away On Tuesday

Failing to recover from an attack of pneumonia, Mrs. Margaret Ione Walker 26, wife of Fred Walker, a teller in the First National Bank, died shortly after 6 o'clock a. m. Tuesday. Her home was at 304 Warwick street.

Mrs. Walker had been quite ill recently, but had shown signs of recovery a week ago. She suffered a relapse, however, which resulted in her heath Tuesday.

She was the mother of Jacqueline Walker, and a native of Watsonville.

Her mother, Mrs. Mae Langley, resides in Oakland.

the funeral was held from the chapel of the James Crowe Company (Parmelee & Phillips), Thursday afternoon at 3:30 o'clock. Interment was at Alta Mesa Park. The Rev. Edwin Castledine of St. Peter's Episcopal Church officated.

OVERCOME BY GAS

Mother, Daughter Have Narrow Escape from Death

Mrs. Fredwin H. Somers and her daughter, of San Francisco, narrowly escaped death at 8 o'clock Sunday when they were overcome by fumes from a gas heater in their summer home in Dumbarton Oaks.

Neighbors summoned Dr. H. A. Clattenburg, who rushed to the scene, after stopping at the fire department to get an inhalator. The two women revived, however, and use of the inhalator was not necessary.

The League of Nations published America's NRA code in French, English and German.

Dink Templeton Nabbed Again For Speeding

Caught twice in 20 days, Robert L. ("Dink") Templeton, Stanford track coach, was cited for speeding 60 miles an hour. This betters his record of December 23 when he did only 53.

State Officer C. J. Lee of Calveras county on special duty here, halted Templeton at Burlingame. The previous arrest was by State Officer Manfred Walzberg at South San Francisco.

Templeton's first arrest has not been disposed of as yet by Justice Edward Farrell. The second case will go before Justice Gus Risso, Burlingame.

Two Suffer Hurts In Peninsula Crash

BURLINGAME, Jan. 15.—Two men were injured and a Palo Alto man was cited for recklessness here last night when automobiles of Everett McBride, 550 University avenue, Palo Alto, and Dominic Tranantanicho, 165 West Taylor street, San Jose, collided here.

Joe Rubino, San Jose, incurred a fracture of the skull, and Ed Downey, who was riding with McBride, incurred lacerations.

Politics Taboo

Charges that politics and favoritism have entered into the employment of relief workers in Southern California are being made the subject of an investigation of State CWA Administrator Edward Macauley, San Francisco, according to word received from that officer. Says Administrator Macauley:

"The civil works administration is a nonpartisan movement designed for the sole purpose of aiding as many of the jobless as possible by providing work. Politics must play no part whatever in the selection of men and women for CWA work. I have taken steps to rectify any wrong which has been done."

Captain Macauley has ordered that any man discriminated against for political reasons be returned to work.

Public Must Awake

The National Safety Council estimates that approximately 30,500 persons were killed in motor vehicle accidents in the United States in 1933.

The California Department of Motor Vehicles estimates that 2,326 were killed and 43,000 injured in this state during the year.

Rigid enforcement of traffic regulations will go far toward a reduction of the toll. But this is not all. There must be a public awakening to the menace of the careless and reckless driver before much may be accomplished.

Greater than these there must be heavier penalties for the drunken and criminally-reckless driver who is the scourge of the highways.

The courts have shown themselves entirely too lenient in these cases. There has been too much slapping on the wrist, too much fixing of tickets, too much sentiment of the sobbing, sickly variety. When courts issue jail sentences instead of reprimands there will be less killings on the highways.

Redwood City 30 Years Ago

Bill Wyman, mayor of Grabtown, was in town during the week attending to official business.

W. H. Lee, of the firm of Lee Bros. & Co. of Santa Rosa, was a visitor in Redwood this week as the guest of his brother-in-law, W. H. Meacham, and family.

H. Sarrasin, who came here recently and started a cigar factory in the Hadler block, purchased the business of H. D. Peterson last Saturday and will continue the latter establishment.

Superintendent of Streets Dickey is laying a new water main on the Island to replace the old leaky pipe which has been in place for over 30 years and which has given much trouble lately.

This week J. A. Genochio bought from Fred Haussler the old shoe factory building that was a part of the old Eureka Brewery property. It is likely the building will be moved from its present location where it has been for over a quarter of a century.

The season for killing ducks and quail will close on February 1 and hunters are making the best of the few remaining days of the season in killing the birds. Capt. Frank Granger, J. F. Johnston, C. D. Hayward, Claude Fox, Carl Beeger and George Genochio went up the bay Tuesday on the yacht Pet and returned yesterday, bringing large bags of canvasback, teal, spoonbills and a few sprig and mallard.

SENTENCE SUSPENDED

BURLINGAME, Jan. 15.—Frank Dureau, 25, Redwood City truck driver, was given a suspended six months sentence here today by Police Judge Stanley Kelley on a charge of reckless driving.

Fifteen thousand of the 80,000 alumni of the University of California are continuing their education by extension courses.

Menlo Park

Mayor W. H. Weeden and Police Commissioner Eugene Crane attended a conference in the state building in San Francisco Wednesday.

St. Joseph's Alumnae gave a very enjoyable card party in Central School auditorium Thursday night.

Several members of the American Legion Auxiliary attended the district meeting at Veteran's War Memorial Building in San Francisco Wednesday night.

A card party for the benefit of the P. T. A. hot lunch fund will be held at the home of Mrs. Carlson on Live Oak ovenue, Wednesday, January 24, at 2:30 p. m.

Delegates who will represent Trinity Episcopal Guild at the annual diocesan convention in San Francisco February 6 were selected at the regular meeting of the guild Monday as follows: Mrs. E. B. Hinds, Mrs. E. C. Aldwell, Miss Meta Kugelar, Mrs. Matty Hill and Mrs. Thomas Packman. Alternates are Mrs. Ralph Smith, Mrs. Thomas Esty and Mrs. A. Swigart. The guild was entertained this week by Mrs. Esty at her Atherton home, and will meet next Monday at the Kingscote apartments in Palo Alto with Mrs. Matty Hill.

Mrs. Thomas Foster of Atherton entertained the members of the Menlo Park Woman's Club Tuesday night. Mrs. J. B. Gluntz reviewed Pearl Buck's "The Young Revolutionist," and, to carry out the Chinese theme, chop suey was served. Mrs. Marion Silva was chairman.

Mr. and Mrs. J. W. Ryan of Sacramento are visiting their son and daughter-in-law, Mr. and Mrs. J. William Ryan, Jr.

The N.D.G.W. and N.S.G.W. held joint installation ceremonies in Masonic Hall Thursday night.

On Monday last a daughter was born to Mr. and Mrs. Arthur Taylor of Atherton. The little miss weighed nine pounds.

Last Saturday in Mayfield Milton Walsh and Mrs. Sarah O'Neill were united in marriage. Both are well known on the peninsula and have resided in Menlo Park for many years. Mr. Walsh is the oldest son of the late Martin Walsh who was constable of this township for over twenty years. Mr. and Mrs. Walsh will reside in Menlo Park.

Mrs. C. A. Swigart is here from Medford, Ore., on a visit to her daughter, Mrs. Elliott H. Ayres. She will remain for some time as she enjoys the climate of Menlo Park.

J. W. Morey, who has the contract to erect a $25,000 building on the Maloney property, has cleared the site and is laying the foundation. The structure must be completed in April in order that the postoffice may occupy its new quarters. All the stores in the proposed new building have been leased.

Local real estate agents are quite busy answering inquiries for property. There appears to be a boom in lands in and about Menlo Park. This is no doubt due to the big demand for store space in town and the construction of the Maloney block. Values of real property have increased in the past month considerably.

St. Joseph's Parochial School opened this week for the spring term with a big registration. Mother Foley is the principal and has an able corps of teachers aiding her in her work.

Work of wrecking the old Maloney block on the highway commenced this week under the supervision of John W. Morey. The buildings will be replaced with one large structure to cost $25,000. It is to be completed by April when the post office will be moved there from its present location. It is said that all the stores in the proposed building have been spoken for at big rentals. The new structure will be a credit to the city. It is believed that other property owners are to follow suit and put up similar buildings.

Announcement is being made of the marriage of Miss Louise Todd Posey and Karel Shultis. The wedwing took place in Trinity Episcopal Church, Menlo Park, December 28. Mr. and Mrs Shultis are now on a motor trip through Southern California. They will live in San Bernardino, where the bridegroom is head of the department of music in San Bernardino Junior College.

Milton Hubert Walsh and Sarah O'Neill applied for a marriage license in San Jose Tuesday, January 9. Mr. Walsh is a son of the late Constable Martin Walsh and Mrs. O'Neill is the widow of the late Arthur O'Neill.

Mrs. C. W. Syverson held a successful whist party at her home on Ringwood avenue for the P.-T. A. hot lunch fund, Wednesday afternoon.

Mrs. George Condos, who submitted to a serious operation in Palo Alto several weeks ago, had to be operated on again this week. She is now making satisfactory progress.

Mayor and Mrs. W. H. Weeden will attend the joint annual meeting and dinner of the "Alta California, Inc." and the Mining Association of California at the Hotel Senator in Sacramento Saturday.

The city council granted the P.T. A. permission to hold weekly benefit dances in the school auditorium. The dates will be announced soon.

The Menlo Park Fire Department changed the date of their dance from January 30 to February 2 so as not to conflict with other events.

The petition of John M. Enos for letters of administration upon the estate of his father, Michael Enos, deceased, has been filed for probate. The estate is valued at about $10,000, and consists of real estate in San Mateo county. O'Keefe and O'Keefe are the attorneys for the estate.

BODY DISCOVERED

Unidentified Man Found In Bay Near South San Francisco

SOUTH SAN FRANCISCO, Jan. 16.—The body of an unidentified man, about 50 years of age and apparently a laborer, was found late yesterday in the bay waters off this city.

Deputy Coroner Silvio Nieri took charge of the body. He said there was no evidence of foul play and expressed the belief that the man committed suicide or fell from a boat.

Three Get Citations For Drunk Driving

Three men were cited over the week-end by state and local police for alleged intoxicated driving and one for reckless driving with the notation that he had been drinking.

William L. Mattenberger, 22, student, of 40 Grand street, San Jose, was cited by City Officer Herman Fleishman on El Camino Real early Sunday; Winfield L. Dinsmoor, of Atherton, was cited by State Officer Lloyd Minehan on El Camino Real, and Raymond McWilliams, 30, clerk, of 726 Fifth avenue, San Mateo, was stopped by State Officer Frank Chevalier on the Bayshore highway near San Mateo.

Robert Sawyer, 36, stevedore, was charged by Capt. Paul Perussina with reckless driving and the notation was made that he had been drinking. He was halted on the Bayshore near Millbrae.

Lost 20 Lbs. of Fat In Just 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast—an 85 cent bottle last 4 weeks—you can get Kruschen at the Sequoia Pharmacy, or any drug store in America. If not joyfully satisfied after the first bottle—money back.

32 GALLON MODEL AT ½ FORMER PRICE

HERE is exceptional news to all prospective water heater purchasers! The prices of these automatic electric water heaters are down, down, down . . . lower than ever before. Consider that, in these days when everything else is rising to higher price levels.

In fact, you can now get this 32 gallon storage type electric water heater that is fully automatic at exactly one-half last year's price. That means you can now have the most truly modern and dependably permanent type of water heater for but little more than you'd expect to pay for an inconvenient, bothersome, old-fashioned kind.

This automatic electric water heater does more than heat water. It turns itself on. It turns itself off. It keeps an ever-ready supply of water stored hot within its thick tank beneath a three and one-half inch casing of highly efficient cork insulation.

See this great water heater value today. Enjoy its perfection of service. Be one of the first to take advantage of this unusual 1934 bargain.

Kellogg Demurrer Answers Opponents

In a demurrer to the second amended complaint of Attorney General U. S. Webb and John Manders seeking to oust him, County Executive Walter Kellogg today declared that the qualification board feature of the new county charge is non-existent.

Kellogg's demurrer says this feature has been ruled invalid and void as it is contrary to state law. J. W. Coleberd and Morgan J. Doyle represent the manager.

The Webb-Manders suit charges that the qualification board was never set up.

Naming Earl C. Coburn, 1220 Washington avenue, New Orleans, as the sole heir, a petition for letters of administration in the estate of Henry H. Coburn, of Denver, Colo., was filed in court here today by J. C. McGovern, public admin-

'PRINCESS FOR A DAY' TO BE PUT ON BY FAUCIT PLAYERS SATURDAY

Next Saturday evening at 8 o'clock is the date for the presentation in the McKinley school auditorium of a play by the Faucit Players of Oakland, "Princess for a Day," under the auspices of the St. Peter's Episcopal Church. Proceeds will go toward the church's fund for a new organ.

Tickets are on sale at the Sequoia Pharmacy and Furnival's.

The Faucit Theatre of the Air Players, known for their broadcasts over KLX, will bring a large cast here to present Juliet Wilbor Tompkins' comedy drama.

Directed by Ursula Faucit, those who will be seen in the play include Margaret Stowell, William Heyward, Stanley Farrar, Lucille Lee, Irene Hyldahl, Betty Jean Curnow, Robert Perkins, Elizabeth Corson, Wilma Tilton, Audrey Santirfo, William di Christina and Genevieve Groce.

"Princess for a Day" shows midwestern reactions to royalty. The prologue is in Italy. The play opens in Millerstown, Indiana, where the excited populace awaits the arrival of the princess. Rural jealousies and snobbery provide the framework for the comedy and dramatic moments.

TARDY MOTORISTS ADVISED TO GET '34 LICENSE PLATES IMMEDIATELY

Redwood City motorists were advised today to make application at once for their 1934 plates in order to avoid arrest for operating cars without the new plates.

The period for application expired January 15, but an extension of time to January 31 has been granted, the traffic bureau here reports.

Officers may, however, stop those who are operating with the old plates and motorists will be subject to arrest if they cannot show that they have made application for the new ones. It is expected that this provision of the vehicle code will not be enforced until February 1.

No penalty will be inflicted on those who obtain their plates between now and January 31. After February 1, the license fee is doubled and $6 is charged.

Bonestell Leaves Estate to Widow

Ten thousand dollars and $350 monthly from the estate of Cutler L. Bonestell, San Francisco paper company head, is provided for Mrs. Elisabeth Bonestell of Atherton, the widow, today.

Bonestell provided that the Wells Fargo Bank and Union Trust Company is to hold the balance of the estate in trust for the benefit of the widow. The will was filed here by the widow and the bank, who are joint petitioners. The firms of Humphrey, Searls, Doyle & MacMillian and Young, Hudson & Rabinowitz, of San Francisco, are handling the estate.

$34,556 Allegedly Owing Upon Notes

Alleging $34,556.65 is due on 20 promissory notes executed in 1931 and 1932, Edward Whitney Strange and the Bank of America National Trust and Savings Association today filed suit here against R. R. Strange.

Strange borrowed the money from Mrs. Ada Rea Strange during that period, the complaint declares. Mrs. Strange died on July 22, 1933. The firm of Bacigalupi, Elkus & Salinger represents the plaintiff.

Census Taking For Business Starts Here

Data for 1933 Will Be Confidential for Washington

Taking of the census of business done by Redwood City merchants in 1933 is now underway. The data gathered will form confidential information to be forwarded to Washington by February 15.

Wesley Davis, district supervisor of the bureau of census of the department of commerce, 227 City Hall, San Francisco, is in charge of the local survey.

The census is being made under funds provided by the CWA board at San Mateo and will give employment to 12 peninsula residents particularly adapted for this type of work.

All Must Report

Separate reports for every retail or wholesale place of business, every service business, hotel, theater, or other place of amusement, must be prepared. Combined reports for two or more establishments, even though under the same management or ownership, cannot be accepted except on special instructions from Washington.

All reports should cover, if possible, the full year's operations for 1933, even if ownership has changed during the year. If the fiscal year ends within a month before December 31 the fiscal year can be reported. Otherwise reports of the business of the 12 months of the calendar year of 1933 should be made.

Units of chains which must be reported from the home office should fill out at least the designated part of the census, it is stated.

Strict confidence will be given to the report, it is stated, with only sworn employes of the bureau of census permitted to examine the report, and no information will be given out by the bureau which would disclose, exactly or approximately, any of the figures in the individual report.

Port Project Unapproved, Latest Word

McGrath Wires That L. A. Is Holding Up Its 'Okeh'

Redwood City's harbor project is still in the Los Angeles offices of the PWA and has not been approved and forwarded to Washington!

This information came by wire today from Congressman John J. McGrath to Howard I. Wood, manager of the Redwood City Chamber of Commerce.

McGrath disputed a press dispatch from Washington quoting him as saying that the project had been forwarded to PWA officials in the capital for final approval.

The congressman said that the reporter must have misunderstood him.

Both a check and recheck of the files at Washington show that the harbor project is not among those present for consideration, McGrath informed Wood.

McGrath said that his information is that the Los Angeles board of the PWA has not given its approval to the project as yet.

The dispatch had quoted McGrath as saying that California PWA officials had given approval to the project and had recommended a loan of $300,000.

Wood said that everything possible will now be done to release the project from Los Angeles.

Ninth Birthday Of Scout Council To Be Celebrated

The San Mateo County Area Council Boy Scouts of America will celebrate its ninth anniversary on Thursday, January 23, with a dinner and a program at the Benjamin Franklin, San Mateo.

I. Karmel, president of the council, adds that he received word from the national office assuring the presence of Edward B. DeGroot, chief scout executive of the Los Angeles Metropolitan Area Council, as the principal speaker and guest of honor of the evening.

A large delegation of civic and business leaders representing the southern part of the county will attend the dinner in San Mateo.

Mr. Karmel will preside as toastmaster and the program includes a dramatization of the annual council report and special music. The newly elected members of the coucil executive board for the year 1934 will act as hosts. They are: I. Karmel, president; Homer Martin, vice president; Edward T. Harrison, vice president; Norman Rushton, treasurer; George H. Arthur, Gustav R. Barth, Dr. Dickson G. Bell, A. S. Blaich, Charles J. Eldridge, William D. Handlos, Guy Kennedy, Henry C. The association will meet here January 25 to discuss store closing hours and the NRA.

Five Win Freedom From Jail on Writ

Release on $10 bail each of five men held for allegedly trespassing on Pescadero farm property was ordered today by Superior Judge Maxwell McNutt in the filing of a petition for a writ of habeas corpus.

Attorney George R. Andersen representing the plaintiffs asserted that Justice Woodhams at Pescadero had no right to force the men to take a jail sentence if they did not choose to be banished from the county. Terms of 30 days each were imposed.

The five, free until Judge McNutt passes on the writ Friday, are Carl Snell, Eric Kauman, Alfonso Waldo, E. Castillo and Juan Samson.

County Hog Raisers To Meet at Colma

Producers of hogs in San Mateo county who expect to participate in the surplus production control plan for the hog industry, which is being launched by the Agricultural Adjustment Association, will hold their first meeting tomorrow night at 8 o'clock in Colombo Hall, Colma.

Details of the plan by which the government plans to reduce by 25 per cent the number of hogs to be raised in 1934 will be told by T. Francis Hunt of the University of California agricultural extension service.

A bullet-proof vest, made of a nickel - chromium - molybdenum steel, is being worn by Japanese policemen.

Faucit Theatre Of Air to Give Comedy in R. C.

The Faucit Theatre of the Air Players, whose dramatic broadcasts over radio station KLX have attracted widespread comment, will temporarily foresake the microphone for the footlights to present in Redwood City a comedy drama by Juliet Wilbor Tompkins.

The play, "Princess for a Day," will be presented in McKinley school auditorium on Saturday evening, January 20, under the personal direction of Ursula Faucit. In the large cast are such well known radio players as: Margaret Stowell, William Heyward, Stanley Farrar, Lucille Lee, Irene Hyldahl, Betty Jean Curnow, Robert Perkins, Elizabeth Corson, Wilma Tilton, Audrey Santirfo, William di Christina and Genevieve Groce.

"Princess for a Day" is a study of mid-western reactions to royalty—even though the princess herself is a Millerstown, Indiana, girl who achieved her blue blood through marriage into the Italian nobility.

After a prologue in Italy, the play opens in Millerstown where the excited populace anxiously awaits the arrival of the princess, recently widowed. Anticipating a regal entry with equerries, pages and diamond-studded coronets, local society fails to recognize the shabby and peniless princess, mistaking her for a seamstress.

Rural jealousies and snobbery provide the framework for hilarious comedy and deft characterization.

Proceeds of the drama will benefit St. Peters Episcopal Church of Redwood City. The curtain will rise at 8 o'clock.

Miss Schmidt, Mr. McLaren Wed Saturday

The marriage of Miss Iris Alta Schmidt to Mr. Arnold McLaren took place Saturday in San Jose. The bride wore a blue afternoon dress with a matching hat and black shoes. Her corsage was of violets. Mrs. McLaren is the daughter of Mr. and Mrs. A. C. Schmidt of Spruce street and a sister to Miss Maujean Schmidt, and Mr. Jerry Schmidt and Mr. C. E. Belmont, of Los Angeles. Miss Schmidt was born in Eureka but has spent most of her life on the peninsula. She was a student at Sequoia Union high school before her marriage.

Mr. McLaren is the son of Mr. and Mrs. Robert McLaren of North Fair Oaks and the brother of Mrs. William Loy, Mr. Robert McLaren, Jr., and Mr. James Mclaren all of North Fair Oaks. Mr. McLaren is a native of Buffalo, New York, but has lived in California for about six years.

Following a honeymoon the couple will reside in South San Francisco where Mr. McLaren is employed by the Western Pipe and Steel Company. The newlyweds plan to leave for Buffalo in April, where they will spend the summer.

LODGE HONORS MEMBERS' BIRTHDAYS

Following the regular meeting of Tawanka Council, Degree of Pocahontas, Sunday, 40 members of the organization gathered at the home of Mrs. Agnes Quinn for a birthday supper honoring Mrs. Cora Baker and Mrs. Margaret Booth. The festivity, featured by a large birthday cake, had been arranged by Miss Stella Ely and Mrs. Quinn. Both Mrs. Baker and Mrs. Booth are officers of the lodge.

This evening, Mrs. Baker will be complimented at a dinner given for her by former fellow-workers at the San Francisco office of the Postal Telegraph Company.

She shared honors with Mrs. Oliver Holmes and Mrs. E. J. Roberts yesterday at a birthday luncheon given by Mrs. S. J. Pors at her home in Redwood City.

Buben Will Gives Home Here to Son

The will of Mrs. Auguste M. Buben, widow, who died here January 6, was filed for probate today in the superior court here by her daughter, Miss Zdenka Buben, 1407 Plumas street, Glendale. The estate exceeds $10,000.

Mrs. Buben gives her son, Rudolph Buben, of 61, Avondale avenue, her interest and stock in the Buben Fur Shoppe and her home here. He is to pay $2,000 to each of two of Mrs. Buben's daughters, Mrs. Augusta Reid, 2105 Hillside drive, Burlingame, and Miss Buben, the petitioner.

Sale of her interest in an apartment house at 1390 Clay street is recommended, and out of the proceeds $10,000 is to be paid to Mrs. Reid, to hold in trust for her two daughters, Shirley and Beverley, twin grandaughters of Mrs. Buben's. Mrs. Reid is to obtain the income until the girls reach 21. Miss Buben is willed the Burlingame home built by her father, the late John Buben.

E. L. Chloupec of San Francisco is petitioner's attorney.

San Mateo Racing Man's Home Looted

The home of William P. Kyne, general manager of the new Bay Meadows racing track at Beresford, was burglarized in San Francisco Saturday, police were notified today. A check for $250 and an automatic pistol were taken.

Left behind were the remains of a loaf of bread and a bottle of milk, and many cigaret stubs. Mrs. Kyne said she believed she had frightened the burglars away.

Kennel Club's Watchman Dies By Own Hand

Jack L. Hunter, 63, watchman at the Bayshore Kennel Club, Belmont, and a well-known character in the racing fraternity, was found dead Saturday back of the grandstand of the club.

Authorities said that he had committed suicide by placing the muzzle of a 12-gauge shotgun to his head and releasing the trigger with a stick.

He left a note in which the only legible words were "good bye."

Track employees found the body.

Hunter was formerly a plumber, and was known in Redwood City, having at one time worked for several of the local firms. He had lived in this vicinity for the past seven or eight years.

Mr. Hunter is survived by two brothers, Edward J. Hunter of Tabor, Iowa, and M. A. Hunter of Humeston, Iowa.

Notice Posted By Perussina Urges Safety

Orders "to show no mercy for the ruthless and reckless drivers" were posted today by Capt. Paul Perussina of the San Mateo County Traffic Patrol in declaring that 1934 is not to see a repetition of the many traffic fatalities of the past year.

Rigid law enforcement, child safety and public education were set as three of the major aims of the traffic bureau for the new year.

"Do not lie or alibi" and "play the game fair and square with the judges" were two admonishings to the officers from the patrol captain.

Traffic squads of San Mateo and Santa Clara counties will meet at a dinner in San Jose tomorrow night to work out a cooperative traffic safety campaign.

Miss King Leaves Holdings to Niece

Giving an approximate $15,000 estate to her niece, the will of Miss Victoria E. King, 71, of 1908 University avenue, East Palo Alto, was filed for probate here today. She died January 1.

The niece is Dorothy K. Buchanan, 625 Runnymede avenue, East Palo Alto. She is asked to take care of her parents. C. E. Jordan, of Palo Alto is named executor of the will.

An annual income of $500 is derived from the estate.

No bequests are made to two sisters and two brothers: Mrs. A. M. Buchanan, 625 Runnymede avenue, East Palo Alto; Mrs. Annabell K. Briggs, Vancouver, B. C.; W. C. King, Bridgeport, Ill., or P. L. King, Norco, Calif.

A. J. Howe of Palo Alto is attorney for the petitioner.

New Garbage Rules For Bayshore Told

Rules for the disposal of garbage to meet the demands of Visitacion and Bayshore residents were laid down today by Dr. J. C. Geiger, San Francisco public health officer.

The new plan, to eliminate the odors complained of by the residents, follows:

Garbage must be wetted down when loaded into the gondola cars; the dumps must be not more than six feet deep and must be covered with two feet of tightly rolled earth; edges must be sealed each night and booms must be provided to catch any floating debris which may work loose; no fires which give off offensive odors may be started, and rats and flies must be reduced to the minimum by use of poisons and traps.

INVITED TO CONFAB

San Mateo County Representatives To Attend C. C. Meeting

San Mateo county business leaders have been invited to the meeting of the Central Coast Council of the California State Chamber of Commerce to be held in San Francisco next Friday. The announcement has been made by A. E. Roth of Stanford University, regional director of the state chamber.

Business and civic leaders of nine central coast counties will gather at the William Taylor Hotel for the session, which will be the first of the year.

Annual Visits Of C. C. Group Are Under Way

Headed by R. C. White, chairman of membership and finance for the year 1934, a crew of well-known business and professional men is calling on all business men of the community in connection with the annual chamber of commerce visitation campaign.

Monday and Tuesday were spent calling on the members. The balance of the week was spent making calls on all other business and professional people.

It is desired that business people inform the teams of any plans or projects which they would like to have carried out by the chamber of commerce this year. The work program will be built from the suggestions brought in by the team members.

Those serving on the visitation campaign are: John Gill, Dr. W. H. Taylor, K. B. Towne, Roscoe Stephens, Duncan Reynard, P. A. Ryan, S. A. Abrahams, A. B. Sisson, Carl Beeger, E. B. Hinman, C. G.
